

# UMSL | Education

**Summer 2020**

**Ramp-Up or Jumpstart Online for K-12**

**Refresh, Renew, and Retool for Online and In-person K-12 Teaching!**

*Summer 2020 plans now out the window? **Spend it online with us!***

Take your K-12 instruction to new levels and platforms as you infuse technology to support remote learning. Now is the time to revamp your curriculum to give you a refreshing start to next year!

### **Why Choose UMSL Education**

Convenient 4-week and 8-week courses designed and taught by experienced faculty who are leaders in their fields

Opportunity to work on your own curriculum with supportive instruction for adapting to online formats

### **Choose UMSL for Flexible Learning**

UMSL offers high-quality online instruction thoughtfully developed and taught by expert faculty and supported by professional staff in the Center for Teaching and Learning and the Office of eLearning. UMSL has been ranked first in Missouri in U.S. News & World Report's online bachelors degree program rankings the past three years.

Ready to get started? **Take the next step and contact our graduate education advisors today:**

No additional online course fee for Summer 2020. Visit [umsl.edu/cashiers](http://umsl.edu/cashiers) for tuition and other fee rates.

### **Designing Effective Curriculum and Instruction**

**Ele Ed 6422/Sec Ed 6416: Curriculum Design**

*June 15 - August 8; 3 credit hours*

Interested in infusing differentiation, social justice, and technology into your teaching practice? Design innovative curriculum to meet the needs of diverse learners.

**Ele Ed 6423/Sec Ed 6420: Inquiry Learning**

*June 15 - August 8; 3 credit hours*

Looking to strengthen your teaching of diverse learners? Investigate instructional models including inquiry, multimodal projects, digital collaboration, and global learning connecting with classrooms around the world and online.

### **Teaching Writing through Multiple Platforms**

**Tch Ed 6880/Engl 6880: Gateway Writing Project**

*June 8 - July 2; 6 credit hours*

Rethink your classroom writing instruction to engage your student writers online and in-person. Rediscover the pedagogy behind writing as a thinking tool, communication craft, and art that will help you inspire young writers.

### **Supporting the Needs of Exceptional Learners**

**Spec Ed 6342: Transition Education**

*June 15 - August 8; 3 credit hours*

Working with adolescents and young adults with special needs? Develop strategies to plan the transition from school to adult life: advocacy, career planning, postsecondary education options, and family support and collaboration.

### **Integrating Technology into Learning**

**Ed Tech 6437: Distance Learning**

*June 16 - July 11; 3 credit hours*

Curious to learn how to best transition your instructional methods to reach students through new platforms? Recently thrown into the world of remote teaching? Learn how to effectively utilize technology to meet your educational goals. This course offers the opportunity to design effective online/remote lessons that will engage students and make online learning meaningful while building community.
